

Co-op Day at the Capitol

March 19, 2019

The 7 Cooperative Principles

voluntary & open membership • democratic member control • members' economic participation • autonomy & independence
education, training & information • cooperation among cooperatives • concern for community

Last year, Cooperative Network member leaders traveled to the State Capitol in St. Paul and met with agency commissioners, caucus leaders and legislators in lobbying teams that addressed a range of important cooperative issues. This year's 11th annual grassroots event, hosted by Cooperative Network, will be an opportunity for representatives from various types of cooperative businesses to explain the cooperative difference in person to our policymakers and to advance our legislative agenda. Managers, directors, staff and co-op members are encouraged to attend.

The one-day event will include:

- Briefing on core cooperative issues
- Meetings with legislators and other key officials
- Networking with cooperative leaders from various sectors
- Reception with legislators and other decision-makers

Sponsorship Opportunities Available!

Sponsorships help cover the cost of catering, refreshments, room fees, handouts and promotional activities. As a sponsor, you will be recognized in promotional materials, signs and in a PowerPoint display during the event.
